

EC CERTIFICATE OF FACTORY PRODUCTION CONTROL

1071- CPD - 1830

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the Construction Products Directive (CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Components for steel structures
Execution class EXC2
Welding coordination knowledge B
according to EN 1090-2

placed on the market by
Øysand Stål AS
v/Norges Møllene
7351 Buvika

and produced in the factory
Øysand Stål AS
v/Norges Møllene
7351 Buvika

is submitted by the manufacturer to the initial type testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 1071 - SINTEF Building and Infrastructure - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. (System 2+).

This certificate attests that all provisions concerning the attestation of factory production control (FPC) described in the Annex ZA of the standard

NS-EN 1090-1:2009 + A1:2011
Declaration method 1

were applied.

This certificate was first issued on 25.06.2013 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly and latest on 01.07.2018.
